

**LUNENBURG PARK COMMISSION**

Minutes for January 5, 2012 meeting

Meeting called to order at 4:30 pm

Present: Jeff Johnson, Tom Leppala, Bob Robuccio, Jack Rodriquenz

The meeting was called by Jack to find out what our priorities for next years budget would be and if we had any questions for him. Our priorities are fully funding the Town Beach and Park Expenses line at their present level. The beach is a very popular program and the expenses line covers Jr Basketball custodians for the approx. 400 kids who participate. Jack asked if there were any wishes if the override passes and we told him we would like to see a full time Park person if it would work with a fully funded budget. He said he could'nt guarantee anything, but would do the best he could.

Voted 3-0 to make the Beach and Park Expenses line our priority with a level funded budget and a full time Park person if the override passes.

Voted 3-0 to accept the minutes from our last meeting.
